

Cascadia Search Dogs

John Allan has been involved with Search and Rescue since 2013. He is a Certified Field Support member and currently is in charge of our Field Support Program. John is our go-to person for mapping and navigation and teaches classes in mapping and navigation for new SAR members.

John is also member of the SCVSAR Operational Support Unit (OSU) and in 2016 was awarded the President's Award for outstanding contributions to OSU. John has also done some mapping work with the WA State SAR Planning Unit.
